

A VISION FOR CHANGE – COMBATING LONELINESS IN LATER LIFE WITHIN CAMBRIDGESHIRE

A WORKSHOP FOR PROFESSIONALS

THURSDAY 26th OCT 10AM-3pm

WOODGREEN ANIMAL SANCTUARY, GODMANCHESTER

Light lunch provided

Earlier this year the Campaign to End Loneliness received a grant from the Big Lottery Fund to undertake work in four targeted locations through to 2020, including Cambridgeshire. During this time our vision is to further drive awareness on how social isolation and loneliness impacts, tackle the stigma associated with it and channel public and private action to help respond to loneliness in our communities.

This workshop, hosted by the CtEL and NDTi (National Development Team for Inclusion), is for people and organisations who are involved, or interested in becoming involved, and working together in local initiatives and developments aimed at improving older people's connections and reducing loneliness in later life within Cambridgeshire.
