

Time for care in general practice

Cambridgeshire and Peterborough showcase
8 Nov | 1 – 5pm | Marriott Hotel, Huntingdon, PE29 6FL

An energising workshop sharing practical ideas to release time for care. You will hear about how practices around England are freeing up time and developing themselves, explore the practicalities of making changes yourself and consider together how you want to sustain and improve care in collaboration.

**Hosted by Cambridgeshire and Peterborough CCG
with NHS England's national general practice development team**

Facilitated by Dr Robert Varnam

Featuring practical case study examples from established innovations around the country, the latest updates from the local testbeds and action planning for next steps.

Time for care in general practice

Cambridgeshire and Peterborough Showcase

Showcasing practical approaches to managing workload, improving care and building a sustainable future for primary care. Learn how other practices are releasing time for care. Develop your own plans for the future.
