

## ADVERT FOR CCG CLINICAL LEAD

### The Vacancy

1 X GP Clinical Lead for Diagnostics, (4 sessions per month) - fixed term to 31 March 2018

The post holder will work on behalf of and with the Planned and Primary Care Directorate, Cambridgeshire and Peterborough CCG, to provide clinical leadership to the development of the Diagnostics Strategy and Delivery Plan for the CCG and in line with the Cambridgeshire and Peterborough's Sustainability and Transformation Plan.

The clinical lead will champion diagnostics for Cambridgeshire and Peterborough CCG and encourage and drive engagement with and between clinicians, partners and stakeholders. The post holder will work closely with the CCG's project team and with clinicians from all stakeholders in secondary, community and primary care.

Remuneration will be £285 per session. The role will be subject to an employment contract with the CCG.

The closing date for this vacancy is **Tuesday 24 October 2017**.

Application to this role is by Expressions of Interest and current CV.

Applications should be submitted by email to [capccg.recruitment@nhs.net](mailto:capccg.recruitment@nhs.net) by Tuesday 24 October 2017.

For an informal discussion about the role please contact:

Gina Allen, Planned Care Project & Service Improvement Manager (available until Friday 20 October)
