Dear colleague,

**Re: Change to the Cambridgeshire & Peterborough Sustainability & Transformation Partnership (STP) Accountable Officer**

I am writing to let you know that, as of 1 January, Sheila Bremner is the Accountable Officer of the Sustainability and Transformation Partnership. Sheila is also the Interim Chief Officer of Cambridgeshire and Peterborough Clinical Commissioning Group.

I would like to thank Tracy Dowling, who is now the Chief Executive of the Cambridgeshire and Peterborough NHS Foundation Trust, for her significant contribution over the last 18 months.

I look forward to continuing to work with you as we take the Sustainability and Transformation Partnership forward.

Yours sincerely

Alex Gimson
