

Domestic Abuse & Sexual Violence Champions Network

The Domestic Abuse & Sexual Violence Champions Network is an opportunity to become involved in Domestic Abuse and Sexual Violence related issues and be the link between your organisation and the work of the Cambridgeshire and Peterborough Domestic Abuse and Sexual Violence Partnership. Champions will promote discussion and best practice around the issue of domestic abuse and sexual violence affecting users of the service, help address local barriers and identify improvements and provide support to peers when working with adults, children and young people and families affected by domestic abuse or sexual violence.

Quarterly Networking events will be held in each district, which will include bitesize training in a range of specialisms.

To book, please email Amanda.Warburton@cambridgeshire.gov.uk

DASV Champions can attend a networking event in any district if they can't make the one in the district where they usually work
