

Dementia : Timely diagnosis and support

We would like to invite our **primary care colleagues** to attend a twilight CPD event to support people living with dementia:

Start time : 17:45 (Registration)
Session time: 18:00 – 19:30

Course content :

- Importance of a timely diagnosis
- Living well with dementia
- Importance of talking about future care
- Supporting families

Who should attend: GPs, nurses, therapists, practice managers and other clinical staff.

For details of your local event please see attached table.

We look forward to meeting you

To book please contact: jo.pugh1@nhs.net

Training provided by : **CAMTED-OP**
(Cambridgeshire Training, Education and Development Team)

Note:

- Booking is by e-mail only and these will be responded to once per week.
- Booking will be prioritised for practices local to the training venue. For those booking outside of their local area, this will be subject to availability and places confirmed one week prior to the event.
- These sessions are subject to a minimum of six attendees for the event to go ahead. In the case of insufficient number of attendees, you will be offered places on future dates.
