

# Diabetes in Pregnancy

**Where:** Alice Fisher Lecture Theatre, Cambridge University Hospitals NHS Foundation Trust

**When:** Thursday 19 September 2019

**Time:** 09:30 - 16:00

**Did you know that 1 in 7 pregnancies are affected by Gestational Diabetes and why are women with Type 1 diabetes a high risk pregnancy?**

Let the diabetes in pregnancy team boost your knowledge! Join us for an interactive day of learning. The Diabetes in Pregnancy study day will be brought to you by a team of diabetologists, obstetricians, specialist nurses, midwives and dieticians from Addenbrooke's Hospital. This study day is aimed at all grades of staff with an interest of diabetes in pregnancy.

If you care for women in pregnancy with diabetes, this is the course for you!

**External staff members:** £30.00

**Internal staff members:** £25.00

**Students:** £20.00

Tea/coffee and light refreshments provided. Lunch is available to purchase within the Main Hospital.
