Dear Primary Care Colleagues,

CUHFT Respiratory Outpatient Improvement Workshop – 12 December 2019

A general Respiratory Outpatient Improvement Workshop is scheduled to take place on the 12th December 2019, 8:30am-12:30pm, at Addenbrookes Hospital, and your input would be greatly appreciated.

The aim of the Workshop is to develop multi-disciplinary team-based solutions to reduce the future need for face-to-face Respiratory Outpatient appointments (as per the challenge set out in The NHS Long Term Plan) without shifting activity to Primary Care.

If you're available and willing to attend, please contact Jenny Gallagher jenny.gallagher@nhs.net (C&P CCG Project Manager – Planned Care).

Yours sincerely,

Dr Sripat Pai
C&P CCG GP Lead – Planned Care

Dr Martin Knolle
CUHFT Respiratory Consultant Clinical Lead
