

# CCG educational event

# Primary Care Networks

**Where:** Huntingdon Racecourse  
Thrapston Road, Brampton, Huntingdon  
PE28 4NL

**When:** Thursday 12 March 2020

**Time:** 1- 3pm (lunch 12.30pm)

## Speakers include:

- **Dr Nikki Kanani**  
Medical Director of Primary Care, NHS England & NHS Improvement
- **Mani Dhesi**  
Transformation Director, SDSmyhealthcare Federation
- **Dr Jeanine Smirl**  
Clinical Director of Norwich PCN

By working at scale, Primary Care Networks can deliver new models of care fit for the local population, develop the workforce and release capacity and by working together provide excellent care for patients and staff.

This is a great opportunity for practices to meet the Medical Director of Primary Care for NHE England & Improvement, to learn how PCNs are progressing, and hear how other PCNs across the country are developing new models of care.

Dr Abby Richardson, the CCG Clinical Lead for Primary Care, will be leading the event.

Confirmed speakers are:

### **Dr Nikki Kanani – Medical Director of Primary Care, NHS England & Improvement**

Opportunity for informal Q&A and update with Dr Nikki Kanani on:

- Current thinking on PCNs, progress and plans for the future
- What has worked and maybe not so well.
- Q&A – questions welcome.

### **Mani Dhesi – Transformation Director, SDSmyhealthcare Federation**

SDSmyhealthcare Federation cover 360,000 patients and 56 practices in Birmingham. Mani will be talking about:

- Operating model implementation and PCN approach.
- Community services transformation work for Diabetes, CKD and frailty pathways.
- Digital intervention in Primary Care.

### **Dr Jeanine Smirl – Clinical Director of Norwich PCN**

Norwich PCN is one of the largest PCNs in England. Split into four localities it covers over 235,000 patients and 22 practices. Hear Jeanine talk about:

- PCN implementation – our story so far.
- Roles, responsibilities and recruitment within PCNs.
- Working with the CCG and our wider community partners.
